

Greetings from the Jackson State Financial Aid Office! This email is to notify you of a federal emergency grant available to you for this **Spring 2022** term.

The U.S. Department of Education (USDOE) released guidance related to HEERF emergency grant funding to higher education institutions to assist students with any component of the student's cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care.

HEERF funds are emergency grants and do not require repayment. Students may request funding by completing the steps below. This **MUST** be completed to receive the grant!

1. NOTE: To complete this successfully, we recommend using a computer, instead of a phone. Not all phones will support this process.

2. Login to **jWeb**.

3. Select "**Student One-Stop**"

4. Go to the "**Banner Self-Service**" section on the right side of page.

5. Click on **Personal Information**.

6. Click "**Answer a Survey**."

7. Click "**HEERF SPRING 2022**" to answer two questions.

- Question 1 allows you to request assistance.

Select "Yes" or "No", then click "NEXT QUESTION" at the bottom of the page.

- Question 2 allows you to authorize aid to apply to your student account.

Select "Yes" or "No" then click "SURVEY COMPLETE" to submit the survey at bottom of page.

Award amounts vary and are based on the number of applications received and amount of available funding. Pell Grant eligibility status is also considered to meet USDOE's requirement to prioritize students in exceptional need.

The SPRING 2022 term survey will remain open until **Monday, March 14th at 11:59 P.M.** Students requesting assistance must do so by this date. Recipients should receive notification of awards the first week of April.

If you have any questions, please email cares@jsc.edu.

Thank you,
