

Financial Aid Services
2023 - 2024 Verification Worksheet
Dependent Student

Your 2023-2024 Free Application for Federal Student Aid (FAFSA) was selected by the U.S. Department of Education for review in a process called verification. The law says that before awarding Federal Student Aid, we must confirm the information reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and the parent whose information was reported on the FAFSA must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the Financial Aid Office at Jackson State. We may ask for additional information. If you have questions about verification, email us at fao@jssc.edu or call (731-425-2605).
